

Capabilities Statement

Blue Ocean Global Technology LLC is an 8(a) minority-owned small business established in 2012, to provide digital transformation, business consulting, and technology development services. Guided by proactive communication, our innovative team of analytics, creative, legal, marketing, and strategy professionals collaborate to solve client challenges and deliver tech-empowered results. We are relentlessly committed to earning trust on merit. We respect two of your most precious assets: time and reputation.

[Know More →](#)

Our Capabilities

- Digital Transformation
- Marketing
- Online Reputation
- Risk Management
- Staff Augmentation
- Expert Witness & Litigation Consulting
- Intellectual Property
- Public Relations & Brand Strategy
- Strategic Consulting
- Technology Development

Differentiators

- Our consulting experience includes Fortune 500 companies, AM Law 100 firms, and small businesses agnostic of industry.
- Our diverse global team offers integrated support and seamless collaboration for measurable client results.
- Blue Ocean Global Technology's recognized track record for delivering results has led us to serve as expert witnesses and provide litigation consulting. We testified against Meta Platforms LLC in the fall of 2023. We are engaged to deliver CLE programs for the New York State Bar Association (NYSBA), and our case expertise ranges from intellectual property and economic damages to source code and digital advertising.
