## Differentiators

- **Client Experience:** Engaged by Fortune 500 companies, government agencies, and Am Law 100 firms, including the Systemically Important Financial Market Utilities, DLA Piper, Federal Aviation Administration, Federal Home Loan Bank, The Bank of Tokyo, Lenovo, PhRMA, and the US Defense Leadership Forum.
- **Leadership in Cybersecurity and Risk Management:** Matured enterprise risk and vendor assessment programs for Fortune 100 companies including outward facing attestations, shaped global risk assessment frameworks including Shared Assessments, partnered with the Cyber Risk Institute, and developed original methodologies, including for the certification of DoD contractors to CMMC. Our expertise includes creating and implementing global programs and information security policies aligned with ISO 27001, NIST, and ISO 22301, helping the Federal Reserve Bank of New York achieve ISO 27001 certification, and establishing Health ISAC's first third-party vendor assessment service, recognized by DHS and HHS.
- **Litigation & Expert Witness Services:** Served as expert witnesses in high-profile cases, including testifying against Meta Platforms. In 2023, our CEO, Sameer Somal, was requested in defense of President Donald J. Trump. Our expertise spans artificial intelligence, economic damages, intellectual property, marketing and source code technology.
